

NIAGARA HOSPICE GRAN FONDO

**CREATE A
TEAM**

BRING YOUR FRIENDS!

Fundraising, training and participating with a team of your friends, family, and colleagues is a great way to experience the Niagara Hospice Gran Fondo. You and your teammates can put together a training schedule and keep each other motivated, create your own team shirts, host fundraising events and share in the fun of the Niagara Hospice Gran Fondo!

You can form any type and size of team that you'd like. For example: teams to ride in memory of a loved one, corporate teams spotlighting their organization, team of friends and family and even teams of two!

All you need to do is recruit teammates who want to join the movement. We will be giving out awards to the team with the "Best Team Spirit" and the team with the highest fundraising.

1.) Form your team

Choose a team name and a team captain, then that person can register and create the team online. Customize your online team page with photos and text! Each person who joins your team will receive their own personal fundraising page that connects to your team page.

2.) Recruit and Register Other Team Members

Teammates can register any time and join the already-existing team.

3.) Raise money, Motivate Your Team, and GO!

- Publicize your team by sharing it on social media.
- Schedule local training meetups to get your team ready for the event.
- Create custom team t-shirts to wear to ride to promote your team.

LUCK!!**
