

"As the founder of BuffaloRunners.com, which has become the repository for local road race results and calendar, I get to deal with EVERY race director. I can assure you that we are fortunate to have Paul Beatty. He is one of the most sincere and thoughtful race directors. He has been very responsive and very concerned about the runner's experience."

Race Registration & Event Management Made Easy!

Everything you and your participants need for the big event, all combined into one platform.

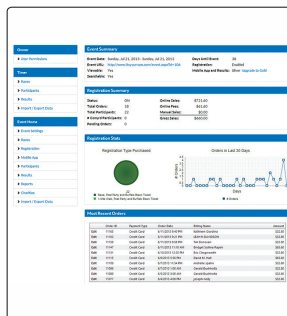

Easy Sign-up & Setup Process

Putting your event on ITSYourRace is an easy process. You can choose to utilize the entire platform, or just use our mobile app or web results separately.

Custom Event Web Page

You will receive a custom URL for FREE on our website. Your page will have all event details, a link to register, links for participants to connect social media accounts, registration verification and more.

Manage Everything From One Dashboard

Event owners can designate permissions for both timers and event managers. The dashboard home shows you the latest stats on registration as well as your event summary.

FREE Mobile App For Your Big Event

You can offer your participants a powerful tool that allows them to capture the entire event weekend in the palm of their hand.

Searchable Results & Custom Certificates

Your participants will be able to scroll through the overall results, then find themselves and see an individual breakdown of their performance.

FREE Snapshot Finish Line Photos

RMS takes finish line photos at all timing points that can be shared for FREE on Facebook.

Pre-Race Experience

RMS will help you setup and manage your entire event using ITSYourRace.com. The event platform is free for race directors and easy to use for your participants.

Race Day Experience

When the big day finally arrives, RMS will be there bright and early to setup a world class finish line and provide guidance and assistance as needed to make sure everything runs smoothly!

Finish Line Experience

No matter how big or small the event. RMS delivers a world class finish line experience at each and every race we time.

After the Race

Our popular RMS Race Results Kiosk is utilized at events along with a scrolling results television monitor and FREE ITSYourRace Mobile App so that runners can have instant access to results following the race!
