## IMPORTANT FAQs

## IMPORTANT FAQs

### **Q: Can I pick up my spouse/sibling/co-worker/neighbor's packet?**

A: YES! You are welcome to pick up other race participants' packets. Just be sure to let them know you are picking it up to avoid confusion or unnecessary standing in line. If you are picking up for a large group (8+), please email the [Registration Manager](#) with the complete list of names of all packets you will be picking up and our volunteers will pull your packets in a group. We must have the first and last names of all participants. We cannot pull by team name. To allow our volunteers time to pull the group packets, **please do not attempt to collect your packets until after 2 p.m. on Thursday, September 9.**

### **Q: I registered to run but now can't participate. Can I give my bib to someone else?**

A: Yes, you may transfer your registration to another runner but **YOU MUST NOTIFY** the Registration Manager **BEFORE** race day. The 18ten Run for the Kids is timed and results are posted based on the information originally assigned to each bib. If you are female and give your bib to a male, his finishing time will be put into the female standings and could skew the results. It is imperative you contact the Registration Manager before the race to properly transfer your bib to a new runner. Required information for transfer is Name, Age or Date of Birth, Gender, Email Address, City and State of Residence, and Race Division. Email the [Registration Manager](#) to transfer your bib. Mailed packets **are not guaranteed** to arrive by Race Day. By transferring to Virtual Runner, you are acknowledging and accepting this possibility.

### **Q: Can I change my t-shirt size from the one I ordered during registration?**

A: No, due to limited sizing, size exchanging is not possible during packet pickup. All participants will receive the shirt size selected during registration. If sizing allows, shirt exchanges may be made on Race Day after 9:00 a.m. at the Registration Tent.

### **Q: I registered for the 5K but want to run the 5K GORUCK. Can I change divisions?**

A: Yes, you may change to a different division but **YOU MUST NOTIFY** the Registration Manager. If you do not notify the Registration Manager of your division change, you could skew race results and impact the final standings. Email the [Registration Manager](#) to change divisions. **Please note, registration for the 10K division is \$10 more.** If you transfer to the GORUCK division from the regular 5K division, you must pay an additional \$10.

### **Q: Where do I park on Race Day?**

A: Free parking is available in FBC Wimberley's lot. Signs will direct you on which entrance to use and you may check [this map](#) ahead of time to know where event parking is. Please be aware we are sharing the parking with a Saturday kids' football league.

### **Q: What does the course look like?**

A: The course map can be found online at [this link](#). Note: The course is on the trail, not the road. 5K runners will do one loop. 10K runners will do two loops.

### **Q: May I run with my stroller?**

A: Yes! This is a family-friendly race, so please be kind and courteous to all racers.

**Q: I raised \$200 or more via my IYR fundraising page. Where can I pick up my 18ten swag?**

A: 18ten swag can be picked up during Packet Pickup. A limited number of 18ten water bottles will be available for purchase for \$10 each.

**Q: Do you have Race Day COVID policies in place?**

A: Yes, please review our COVID recommendations [here](#).

**Additional questions? [Ask us!](#)**

## **TIMING CHIP & RACE BIB**

The timing chip is attached to the back of your bib. You must wear your bib on the front of your body, preferably chest-high, so the timing equipment can read your bib as you cross the finish line. Do not cover your bib with a jacket, sweatshirt, or other clothing. If you wear your bib below your waist, underneath clothing, on your back, or folded in your hand, your chip may not be read, and you may not get an accurate time. **Do not remove your timing chip from the back of your bib.** You do not need to return it at the end of the race.
