IMPORTANT FAQs

Q: Can I pick up my spouse/sibling/co-worker/neighbor's packet?

A: YES! You are welcome to pick up other race participants' packets. Just be sure to let them know you are picking it up to avoid confusion or unnecessary standing in line. You do not need to bring a note from them or show ID.

Q: Where do I park on Race Day?

A: Metered street parking is plentiful and accessible. Surface lot parking is available at the Houston Chronicle Parking Garage at 719 Prairie for \$10 car. Please plan enough time to find a space and walk to the race site. We encourage participants to carpool, ride share via Lyft or Uber, or ride their bike to Sam Houston Park.

Q: What does the course look like?

A: The course map may be found [online here](#).

Q: I registered to race but now can't participate. Can I give my bib to someone else?

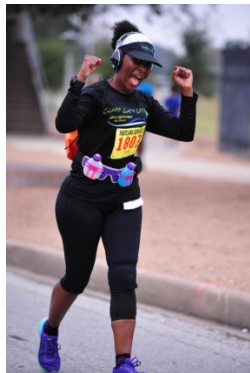

A: Yes, you may transfer your registration to another runner but YOU MUST NOTIFY the Race Director BEFORE race day. The Trafigura Run for the House is timed and results are posted based on the information originally assigned to each bib. If you are female and give your bib to a male, his finishing time will be put into the female standings and could skew the results. It is imperative you contact the Race Director before the race to properly transfer your bib to a new runner. Required information for transfer is Name, Age or Date of Birth, Gender, Email Address, City and State of Residence, and Race Division. Email the Race Director at run@rmhhouston.org to transfer your bib.

Q: I registered for the 10K but only want to run the 5K. Can I change races?

A: Yes, you may change to a different division but YOU MUST NOTIFY the Race Director. 10K runners will receive a yellow bib and 5K runners will receive a blue bib. If you change races you must receive a new bib. If you do not notify the Race Director of your division change, you could skew race results and impact the final standings. Email the Race Director at run@rmhhouston.org to change to a different division.

TIMING CHIP & RACE BIB

The timing chip is attached to the back of your bib. You must wear your bib on the front of your body, preferably chest-high, so the timing equipment can read your bib as you cross the finish line. Do not cover your bib with a jacket, sweatshirt, or other clothing. If you wear your bib below your waist, underneath clothing, on your back, or folded in your hand, your chip may not be read and you may not get an accurate time. Do not remove your timing chip from the back of your bib. You do not need to return it at the end of the race.
