

# 9th Annual Pumpkin Run 5k Sponsorship Program

9th Annual Pumpkin Run  
Saturday, November 10, 2018, 7:30 a.m.  
Mead Garden, Winter Park

Dear Community Member:

St. Margaret Mary Catholic Church and St. Stephen Catholic Community will hold the 9th annual 5k fun run/walk on November 10, 2018, 7:30 a.m., at beautiful Mead Garden in Winter Park, Florida. The race continues to grow each year. We anticipate approximately 400 runners this year. The race features a flat and fast-running course as well as a commemorative t-shirt. Most importantly, the event's net proceeds support adopted parishes in Haiti.

You can make a difference! The success of the Pumpkin Run depends on your generosity. We need your support to continue and expand these mission efforts:

- **Health** – developing sustainable programs for clean drinking water and health care;
- **Education** – building schools and computer labs, providing schoolbooks, and teacher and job training;
- **Economic Development** – leveraging successes of established village banks, livestock and agriculture programs for sustainable sources of income and food;
- **Faith Sharing** – rebuilding churches damaged by earthquakes and hurricanes, donating musical instruments and training spiritual leaders; and
- **Peace** – supporting programs to teach young adults how to deal with conflict and how to promote peace.

We depend on cash and in-kind donations from local businesses, corporate sponsors and community members like you. If you would like to make a donation, or if you have questions, please contact Tom Hargrave at 407-340-3016, [tomhargrave1@icloud.com](mailto:tomhargrave1@icloud.com) or Jay Sujansky at 407-421-2151, [jaylinda1@mac.com](mailto:jaylinda1@mac.com). They will be happy to complete the necessary paperwork and arrange for pick-up of your donation. Alternatively, you can complete the attached form and send the donation directly to: Jay Sujansky at 206 Chestnut Ridge St., Winter Springs, FL 32708 or Justine Leahey at 1321 Medinah Ct., Winter Park, FL 32789.

Thank you for your consideration and your commitment to the people of Haiti.

Sincerely,

*Pumpkin Run Team*
