

JORDAN'S RUN – VETERANS' MEMORIAL 5K RUN / WALK

Sunday, July 29, 2018

We invite your participation in this very special race.

Jordan's Run, Veterans' Memorial 5K Run/Walk, held in honor of fallen Marine LCpl. Jordan Haerter will provide an opportunity for our sponsors, runners, walkers, their families and friends to come together in the spirit of Giving Back. Over 700 registered runners/walkers are expected this year for Jordan's Run 5K. Our participants will come from all over Long Island and the tristate area and will bring Veterans who served with Jordan from all across our great nation. Jordan's Run is a proud member of the Suffolk County Veterans Run Series.

The officially timed 5K steps off at 8:30am on Sunday, July 29th from Pierson High School in Sag Harbor, where Jordan graduated in 2006. Entrants will run or walk along the historic Whaler's village race route with the highlight of crossing the Lance Corporal Jordan Haerter Veterans' Memorial Bridge. As runners loop back, they will pass marinas and old village streets, past Oakland Cemetery where our hero rests before finishing at the high school.

Jordan's Run, Veterans' Memorial 5K Run/Walk will be a charitable event with In Jordan's Honor, Ltd., a 501{3}c nonprofit organization as the recipient of all funds. Funds raised will support scholarships and awards honoring fallen Marine Jordan Haerter, celebrating graduating seniors who choose to serve their country through the military or law enforcement as Jordan would have done. We hope to further our reach to better support our troops and local veterans and support of like-minded Veteran organizations.
